

Symondsbury Estate Christmas Market

Saturday 4th to Sunday 5th December 2021

Symondsbury Estate Christmas Market is back and even better than before! So much so, we are making it a two-day event.

This year we have implemented a selection process, where locality, product quality and sustainability will all be taken into consideration and we reserve the right to decline applications.

Please read the following information carefully and contact the events team using the details provided should you have any questions or queries.

Application Process

Within your application please provide a link to your website or product photographs. If your application is successful we will send you an exhibitors pack with confirmation of your booking.

Please find the application form attached below.

Stall Information

Trading hours will be Saturday 11am - 6pm, Sunday 10am- 4pm. We ask that all stallholders are present for the entirety of the event (you may risk losing your pitch if you arrive late on the first day).

In the unlikely event the market is cancelled due to unforeseen circumstances (including adverse weather conditions) you won't receive a refund for the sum of the pitch fee or any additional extras requested. However, in the event of Government restrictions relating to COVID-19 affecting the event refunds may be given.

Stall Prices and Additional Extras

Setting Up

There will be parking facilities available in the visitor car park, so please park there after you have unloaded, there will be one space allocated per stall and any additional cars will be charged.

You will be assigned a stall and time-frame to set up your pitch, which could be the day before or the morning of the event. We will take into consideration the location of each stallholder and allocate accordingly.

Overnight security will be provided, however we will not be held responsible for any lost, stolen or damaged goods.

Each stallholder must request and pay for electricity and tables before the event – we are unable to provide this as an extra on the day and please supply your own extension leads should you require them.
